**Action Taken Report  
Academic year 2021-22**

During the academic year 2021-22, the IQAC has formed various committees for the implementation of curricular, co-curricular, extra-curricular and extension activities. The faculties conducted classes, examinations and participated in research activities. The Student Welfare Department and Yuvati Sabha had conducted various programs for the empowerment of the girl's student. The NSS department has conducted various activities like one day camp and winter camp.

But we did not recruit the regular Principal and the teaching staff. But, we hope that the Government of Maharashtra will allow us to fill up the above mentioned vacant posts.

We are also unable to submit IQAR report during this year because of technical issues of the website of college which is under construction. I hope we will submit the pending AQARs in the next academic year.
