4. Report on Eco Bricks: Waste Plastic Collection

14/03/2022

During the 7 day NSS camp NSS volunteers collected the waste plastic, bottles, wrappers, pouches, polythene bags etc. all the collected material is washed, cut into pieces and stored in plastic bottles called ecobricks. These plastic waste dumped in soil goes to water bodies where it affects aquatic creatures. Ultimately it affects human and environment. So these eco bricks collected can be reused for making useful articles and such waste plastic can be recycled for a long period of time.

The students and villagers came to know about this practice so they collected 300 eco bricks from the village and made the area plastic waste free. The activity was moderated and narrated by Prin. Dr H M Patil and the session was conducted by NSS PODr Manohar Patil , Asst. PO Dr S. E. Shinde and Smt K S Salve. Prof Anil Shinde , Dr V G Gonekar, Prof A.S. Rathod and Dr Haribhau Pawar and villagers supported the event.

NSS volunteers collected the waste plastic, bottles, wrappers, pouches, polythene bags and stored in plastic bottles.
